SOCIETY**CALENDAR.**

Mrs. A. S. Bowers has issued invitations for a bridge tea at her home on Thursday, December 12, which will be the first of a series.

The Sewing club will meet this afternoon with Mrs. Richard Oglesby.

There will be a joint meeting this afternoon (Friday) at 2 p. m. in the club house of the Ladies' Literary club of the Current Event and Current Literature and the Tourist sections. Miss Adler will read a paper on "Palestine," and will be dressed in the native costume. Miss Florence Kimball will give the solos "Memories of Gallilee" and "The Holy City." Mrs. Siegel will serve tea.

The Daughters of the Confederacy will meet Friday afternoon at 3 o'clock with Mrs. George Wood, at the Manitou hotel.

Mrs. W. D. Donohoe will entertain at an informal bridge party Saturday afternoon, in honor of Miss Mary Kerwin.

Mrs. William P. Kiser entertained seven tables at a bridge tea yesterday afternoon at her home, in honor of Mrs. Maxwell Brothers. The house was beautifully decorated in the Christmas colors—green and red. Over the table in the dining room hung a large green bell, and red satin ribbons went from the chandelier to the corners of the table, with large waves of red and white carnations. Mrs. Kiser was assisted by Mrs. E. R. Grey, Mrs. Russell Schuler and Miss Louise Sullivan. Prizes were won by Mrs. R. C. Pearsall, Mrs. T. B. Beatty, Mrs. L. C. Robertson, Mrs. Charles Read, Mrs. Sol. Siegel, Mrs. Megath and Miss Stingley.

A pretty home wedding last evening was that of Miss Alice Evans and Paul E. Bebling. The ceremony was performed at 8 o'clock in the presence of about fifty relatives and friends. A large reception followed. The bride wore a dainty gown of grey voile and carried a white rose. Her only attendant was Miss Carrie Duquaque. Frank Haywood acted as best man. The house was profusely decorated in carnations. Mr. and Mrs. Bebling will make their home in this city.

The Juvenile Band concert that was given yesterday afternoon and evening in the Salt Lake theatre was a fine success, and was quite a social event. Among those who entertained at stall and box parties were Gov. and Mrs. J. C. Cutler, Mrs. David Keith, Mayor and Mrs. J. S. Bransford, Mrs. W. V. Rice, and Mrs. Margaret P. White, matron of the Boys' Home.

Miss Elizabeth Crumby, formerly a resident of this city, who has been attending Stanford university for the past four years, will be graduated in the December class and return here about the middle of the month, to remain a few days, when she and her sister, Miss Mabel Crumby, who is here, will go to their uncle's ranch in Nevada to spend Christmas.

Announcement was made Thursday of the marriage of Lafayette D. Clayton and Miss Hilda V. C. Stromberg, at the home of the bridegroom's mother, Mrs. W. L. Harlow, at 128 West North Temple street, on November 26. Elder David A. Smith, deputy county clerk, performed the ceremony. Mr. Clayton is an employee of the Oregon Short Line.

In view of the coming Symphony concert, Miss Esther Allen will have a few of her friends at her home on Tuesday afternoon, when she will give a talk on the make-up of the program, illustrating with selections. Miss Allen has given several of these talks before her pupils at Gordon academy, and they have been very entertaining.

The turkey dinner followed by the opening of the bazaar at the First Presbyterian church was a success on Thursday evening. Many were present, and it is hoped there will be as many on Friday evening for the song and story entertainment to be given by M. J. Brines in the church parlors at 8:15.

Mrs. D. C. Jackling entertained at a pretty appointed dinner at her home yesterday in honor of Mrs. J. S. Bransford. Those invited to meet the guest of honor were Mrs. J. D. Wood, Mrs. John Dern, Mrs. H. D. Ellerbeck, Mrs. Hewitt, Mrs. James Dick, Mrs. Kent Smith, and Mrs. S. Benedict.

Invitations have been issued for the wedding and reception of Miss Margaret A. Primm and William Burt Alpertson, which will take place at the home of her uncle on Thursday, December 19.

Mrs. Charles G. Vickery entertained twenty at a Kensington yesterday, in honor of Mrs. Adolf Denniston, formerly of Chicago, Ill. The house was prettily decorated in the autumn flowers.

The session of the Monday Afternoon Card club has been postponed until the first Monday in January, when it will meet with Mrs. C. E. Richards.

Mr. and Mrs. H. J. Dinny will soon be at home to their friends in the Zimmerman flats, First avenue and E street.

Mrs. George C. Moore entertained three tables at bridge yesterday afternoon. The rooms were prettily decorated.

Mrs. O. K. Lewis returned the first of the week from two months spent with her sister, Mrs. Lewis, in Butte, Mont.

The ladies of St. Mark's cathedral will give a uncheon and Christmas sale in the Sunday school rooms on Tuesday, December 10.

Miss Simpson of New York will be here next week, to spend a month with her sister, Mrs. Henry LaMotte.

Mr. and Mrs. H. J. Weobke will be at home to their friends after December 15 at 372 D street.

Mrs. R. E. Hoag announces her annual exhibition and sale of Decorated China at the Kenyon hotel parlors today and tomorrow.

RAIN AND COLDER, SAYS DOOLY BLOCK ORACLE

Futile Attempt of Other Stations to Interrupt Zion's Fair Weather.

According to the weather man a little rain and a cooler atmosphere will come to foggy Salt Lake Friday. He abjures all responsibility for this, laying the blame on his brother weather men in the West, who have scared up a little storm and are sending it over to Utah, and, according to calculations, it is due to arrive in the next twelve hours.

It is beyond presumption that this storm was created and sent eastward of pure envy because Salt Lake has been enjoying such fine weather, and her sister cities, both East and West, have been having all sorts of trouble with snow, rain and cold weather.

The weather man in the Dooly block takes great pride in the weather he furnishes Salt Lake, and he worked overtime Thursday trying to turn aside rain that was due, according to the schedule made out at other stations and forwarded to him. A little sprinkling, rather drizzle of rain did break loose and made folks think it was going to be a disagreeable day, but the worst that came was a few clouds that hid the sun and made the day look less than it really was.

Conditions Locally.

Forecast for Salt Lake and vicinity: Rain and colder Friday. Yesterday's record at the local office of the weather bureau for the twenty-four hours ending at 8 p. m.: Maximum temperature, 45 degrees. Minimum temperature, 42 degrees. Maximum temperature, 45 degrees, which is 11 degrees above normal. Accumulated excess of temperature since the first of the month, 27 degrees. Accumulated excess of temperature since January 1, 171 degrees. Relative humidity, 61. Total precipitation from 6 p. m. to 6 p. m., a trace. Accumulated deficiency of precipitation since the first of the month, 29 inch. Accumulated excess of precipitation since January 1, 2.35 inches.

General Conditions.

The low barometric pressure over the British Northwest Territory has further developed, and a secondary low pressure was over the middle plateau, causing rain or snow over portions of Nevada, California, Oregon, Washington and Montana, with rain at the central valley. Another storm was passing off the north Atlantic coast attended with rain or snow over portions of the lake region, the Ohio valley and middle and north Atlantic States. High pressure was central over the north Pacific coast and the central valley. The latter was accompanied by a cold wave with freezing temperature extending as far south as Jacksonville, Fla. The low pressure over this section will cause rain and colder tonight and Friday.

ABSOLUTELY PURE

Treasures Found in Our American Forests.

That our American forests abound in plants which possess the most valuable medicinal virtues is abundantly attested by scores of the most eminent medical writers and teachers of this and other countries. Even the untold Indians had discovered the usefulness of many native plants before the advent of the white race. This information, imparted freely to the whites, led the latter to continue investigations until to-day we have a rich assortment of most valuable American medicinal roots.

Dr. Pierce, of Buffalo, N. Y., believes that our American forests abound in medicinal roots for the cure of most obstinate and fatal diseases. If we would properly investigate them, and, in confirmation of this conviction, he points with pride to the most marvelous cures effected by his "Golden Medical Discovery," which has proven itself to be the most efficient stomach tonic, liver invigorator, heart tonic and regulator, and blood cleanser known to medical science. Dyspepsia, or indigestion, torpid liver, functional and even valvular and other affections of the heart yield to its curative action.

The reason why "Golden Medical Discovery" cures these and many other affections, is clearly shown in a little book of extracts from the standard medical works which is mailed free to any address by Dr. R. V. Pierce, of Buffalo, N. Y., to all sending request for the same.

To aid in healing old sores, or ulcers, apply Dr. Pierce's All-Healing Salve to them while taking the "Golden Medical Discovery" to purify and enrich the blood.

Dr. Pierce's All-Healing Salve is cleansing and pain relieving. It destroys the bad odors arising from suppurating, or running, sores and puts them in the best possible condition for healing.

The "All-Healing Salve" is a superior dressing for all open, running, or suppurating sores or ulcers. For healing open wounds, cuts and scratches it is unsurpassed.

If your medicine dealer does not have the "All-Healing Salve" in stock mail 50 cents in postage stamps to Dr. R. V. Pierce, Buffalo, N. Y., and you will receive it by return post.

In treating all open sores, or ulcers, boils, carbuncles and other swellings, it is important that Dr. Pierce's Golden Medical Discovery be taken persistently to purify the blood and thereby remove the cause of the trouble. It is in the blood that the great battle of health has to be fought. The upper and the lower are simply the scarlet flowers of disease, with roots running down into the blood. These roots must be eradicated or the disease will break out afresh. "Golden Medical Discovery" cleanses the blood of all foul and poisonous accumulations, pushes out the dead and waste matter, and thus purifies the entire life current. Disease in the flesh must die out when it is no longer fed by foul blood. "Golden Medical Discovery" effectively cures disease in the flesh by curing its cause in the blood.

Not less marvelous in the unparalleled cures it is constantly making of woman's many peculiar affections, weaknesses and distressing derangements, is Dr. Pierce's Favorite Prescription, as is amply attested by thousands of unsolicited testimonials contributed by grateful patients who have been cured by it of catarrhal pelvic drains, painful periods, irregularities, prolapsus

and other displacements caused by weakness, ulceration of uterus and kindred affections, often after many other advertised medicines and physicians had failed.

Nursing mothers and over-burdened women in all stations of life, whose vigor and vitality may have been undermined and broken-down by overwork, exacting social duties, the too frequent bearing of children or other causes, will find in Dr. Pierce's Favorite Prescription the most potent, invigorating, restorative strength-giver ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless boon to prepare the system for baby's coming and rendering the ordeal comparatively painless. It can do no harm in any state, or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary spots or spots floating before eyes, have disagreeable pelvic catarrhal drain, prolapsus, anteversion or retroversion or other displacements of womanly organs, from weakness of parts, will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using faithfully, and fairly persistently, Dr. Pierce's Favorite Prescription.

Both the above mentioned medicines are wholly made up from the glyceric extracts of native medicinal roots. The processes employed in their manufacture were original with Dr. Pierce, and they are carried on by skilled chemists and pharmacists with the aid of apparatus and appliances specially designed and built for this purpose. Both medicines are entirely free from alcohol and all other harmful habit-forming drugs. A full list of the ingredients is printed on each bottle wrapper.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. Easy to take as candy.
